

NDB (L) DME RWY 06

CAUTION:
Final approach course alignment does not meet TERPS criteria

ALTERNATE PROCEDURE: From UW NDB holding, extend outbound leg to IVG 10 DME, turn right to final approach course. Then continue as for published procedure.
NO DME: Same as above except: extend outbound CAT AB 2.5 min, CAT CD 1.5 min.

NDB (L) DME RWY 06

Effective 3 AUG 2006 - 31 AUG 2006
